Rehearsal for Life

John L. Farnum

We, the members of the outgoing class of 1960, are honored to dedicate our yearbook to a man who, we feel, has contributed an extraordinary portion of his time and efforts to our general well-being. The "behind-the-scenes" help he has so willingly given has often made the difference between the excellence and mediocrity of many a class project. We hope that this dedication will express some measure of the depth of our appreciation and gratitude for the services of a never-to-be-forgotten friend — Mr. John L. Farnum.

Prologue

Just as a play rehearsal readies the actors for performance, our "Rehearsal for Life" presents scenes, characters, incidents, atmosphere, and skills that prepare us for our parts in the great drama in which we are soon to appear. On stage, under the guidance of our directors and producers, we learn our lines and study the stagecraft we will need in the future; at intermission we participate in sports, we dance, and we work on many activities which contribute to our increased confidence and poise.

Also in a community such as ours, school activities are often centered around community activities. The students are the future citizens of the town; therefore, it means a great deal to the welfare of any community to be closely connected with the school. The bi-centennial anniversary of our town presented opportunity for both town and school participation.

Now the understudies stand in the wings ready to step into the limelight, as we, the principals of 1960, take our final bows on the rehearsal stage before assuming our places on the great stage of life.

George P. Cofran, President Board of Trustees of Pembroke Academy (left) John M. Cotton, Headmaster (right).

To the Class of 1960:

I congratulate the seniors on their completion of twelve years of formal education and sincerely hope it has given them the foundation for constructive and dedicated citizenship.

With all good wishes.

Stars

ROBERT BATCHELDER

"Batch" is one of our most athletically inclined students. He is willing to give out information on baseball, but when it comes to discussing females, he is completely at a loss.

He mixes well with the rest of the class and does his share. Rather quiet in school, he makes up for it when he is with the boys.

With his love for baseball and his know-how he has a good chance of becoming a well known player.

Soccer 4; Baseball 1,2,3; Athletic Association 1,2,3,4.

FLORENCE BERNARD

"Flo's" love for skating and other outdoor sports helped her to win the title of Carnival Queen last year.

With her pleasing personality and her ability to carry on a conversation with almost anyone, "Flo" has won many friends.

We wish her all the luck in becoming a successful secretary.

Basketball 1,2; Winter Carnival (attendant) 3 (Queen).

ANDREW BILODEAU

"Andy" is always willing to assist the class in any way he can. He is another member of the Senior Class who makes himself known by his skill with the soccer ball. His ability in outdoor sports helped him win the title of Carnival King last year.

Because of his good looks and pleasing personality, "Andy" is one of the more popular boys in our class. We're certain he will become a leader among men.

Basketball 2,4; Soccer 2,3,4, (Captain); Baseball 2,3,4; Athletic Association 2,3,4; Winter Carnival 1 (Attendant), 2,3, (King).

Here Are the Principals in

Our "Rehearsal for Life"

ROBERT BLAZON

"Bob" is a late comer to our class. Although he is one of the quieter students, he does his share in class activities.

We have enjoyed his considerate friendship, and we wish him all the happiness that a person could have.

Bishop Bradley 1; Winter Carnival 3; Shop Display 2,3; Assemblies.

ROBERT BOUFFARD

"Bouffy" has served the class well as vice-president last year and as president this year. He has been a student council member for two years. He isn't afraid to voice his opinions if he thinks that they will help his fellow classmates.

Although he is one of the smaller students of the class, he is full of energy. Just try arguing with him! We know he will succeed in life for he has the push that it takes to accomplish whatever he chooses to do.

Due to her neatness and ability, she'll make a perfect secretary for some lucky executive.

BARBARA BOULEY

"Barb" is forever doing things to help the class. She is a very dependable person when it comes to getting something done on time. She isn't afraid to put in a few extra hours so that things will not only be done, but done right.

With this ability and her pleasing smile we're sure she will make a place for herself in the world.

Chorus 1,2,3,4; Operetta 1; Senior Play 4; Usherette 1,2,3,4; Gym Exhibition 1.

LORRAINE BROWN

Lorraine came to P.A. during her Sophomore year, but it wasn't long before she got onto the hang of things.

She is bound to become an efficient secretary. Good Luck, Lorraine.

Eastern Charlotte Regional School, Canada 1; Assemblies 2,3.

EVERETT CHAPUT

In the winter there is little doubt in anyone's mind as to where "Chappy" can be found. That place is usually the basketball court. And his being one of Pembroke's best basketball players makes him sure to be sadly missed.

But basketball is not "Chappy's" only good point. His sense of humor, easy going manner, quick sympathy, and just being himself assures his being remembered by all of his classmates. Right now "Chappy's" future is undecided, but we wish him the best of luck in anything he does.

MICHAEL CHICKERING

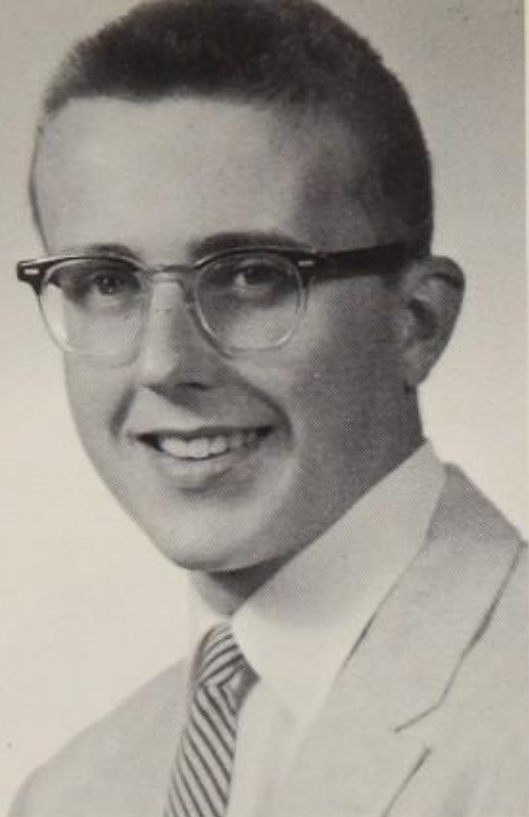

Good natured and quiet, a wonderful guy and a great athlete, who is full of smiles whenever you see him. Michael dislikes noisy people and makes sure they know about it.

He is always willing to lend a helping hand. We are all sure, "Mike," that whatever you undertake in the future will be successful.

Basketball 1,2,3,4; Baseball 1,2,3,4; Athletic Association 3,4.

A riot--that's, "Phil," known to EVERYONE.

"Phil," we hope that you will achieve everything your heart desires.

Yearbook Staff 4; Junior Prom 3.

JUDY CYR

A quiet and valuable friend who is sincere and hard-working and who would prefer to avoid homework (but who wouldn't), and is annoyed by insincere people, Judith is a very ambitious and reliable girl--a "busy bee."

"Judy," we hope you have all your desires accomplished because you are a girl that deserves the best of everything that the world offers.

Stuttgart High School, Germany 1; Assemblies 2,3.

and the Men and

Women Merely Players

EDWARD DAVIS

A quiet, likeable classmate, a good friend and student, is the sort of "guy" that you can depend upon in the hour of need.

He always remains with a smile no matter how rough things are going for him. He has a reasonable outlook on the future.

Your fellow classmates, "Ed," wish you all the luck in the world.

Assemblies 2,3.

JEANNINE DESROSIERS

High spirited and enthusiastic, shy and yet easy to get along with, "Jean" is very well liked for her sincerity and delicacy in life. Very seldom does anything get her "riled" or mad.

Your radiant and wonderful personality will get you a head start in preparing for the future, "Jean." We wish you all the luck in the world.

Senior Play 4; Yearbook Staff 4; Junior Prom.

RICHARD DOWST

"Dick" is a very energetic person willing to help at any time. His being skillful and well liked, makes his personality all the better.

Another one of those "Epsomites," his car comes into good use practically all the time.

We wish you all the luck in the world, "Dick," and we are sure it will be yours.

Winter Carnival 2; Assemblies 2,3.

They Have Their Entrances

BRENDA DUTCHER

Always busy, that's Brenda. Still she finds time to help anyone in need, talk on the telephone, or just plain have a good time.

As co-editor of the *Academian* and secretary of our class, Brenda has shown a willingness to work and a kind of dependability that is rare. The Academy is sure going to miss you "Bren."

Class Secretary 3,4; Usherette 4; Yearbook Staff (Co-Editor); Honor Society 4; Junior Prom (Co-Chairman of Decorations); Shorthand Certificate 3; Salutatorian.

JUDY FLORENCE

One of our more musically inclined members is Judy. With a song in her heart and usually one on her lips, she may, at most anytime, be found anywhere between Pembroke and the "Great State of Epsom" using her talent for school, for church, or just to make someone besides herself happy.

The best of everything is wished for you in the future, Judy.

Gym Exhibition 1; Assemblies 2,3; Chorus 4.

JOANNE FOLLANSBEE

Since "Jo" transferred from Central she has been a great asset to the Class of '60. Always willing to work on committees of any kind, she keeps a good spirit through any battle.

We are sure, Joanne, with your pleasing smile and personality, you will never have to worry about tomorrow.

Manchester Central High School 1,2; Chorus 3,4; Senior Play; Usherette 2,3,4; Yearbook Staff 4; Shorthand Certificate 3; Junior Prom (Queen).

JEAN FORCIER

They say nice things come in small packages, and that must be the case with our Jean.

Although she's an avid fan of Bishop Bradley (there may be reasons for that) she can sure "cheer up a storm" for good old "P.A." whether the game be soccer, basketball, or baseball.

The future is sure to hold many wonderful things for you, Jean, and we agree that you deserve them.

Student Council 3,4 (Secretary); Chorus 3; Yearbook Staff 4; Honor Society 3,4; Athletic Association 2,3,4; Cheerleading 1,2,3,4; Senior Play 4; Shorthand Certificate 3; Miss Cheerleader Finalist; Valedictorian.

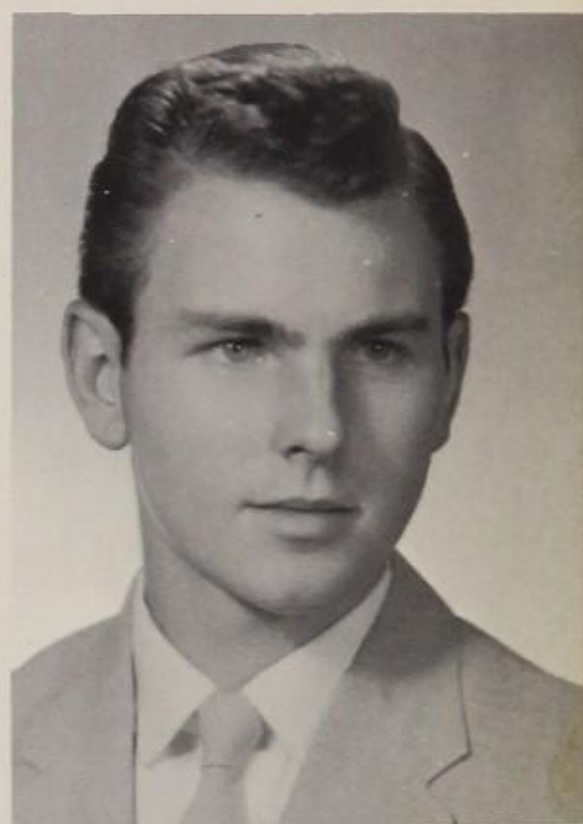

DAVID FOSS

To many "Dave" may seem like the quiet type, but, as the old saying goes, "still water runs deep."

A high wave, blue eyes, a smile, and a deep blush constitute this fellow wherever you meet him.

We are sure that these along with his many other fine qualities will help him to be a huge success in the future.

Assemblies 2,3.

MYRNA FRENCH

This Myrna of ours is pure honor society "stuff" and is always as ready with a good joke as with an argument for one of our most fortunate teachers.

Never conspicuous, but always there in time of need, Myrna has been of great assistance to our class.

Good luck to you, Myrna, next year and in the years to come.

Yearbook Staff 4; Honor Society 3,4; Gym Exhibition 1; Honor Part-Graduation.

and Their Exits . . .

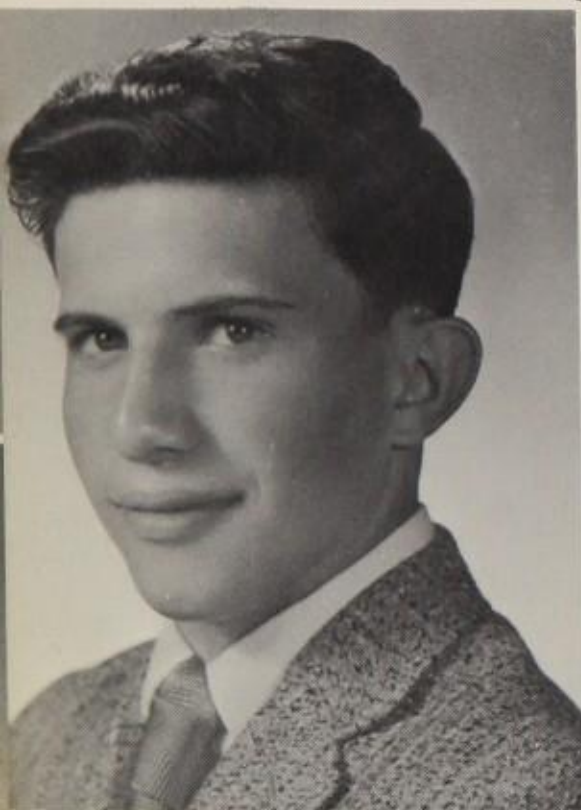

SUSAN GAUTHIER

Although "Sue" is one of our more shy members, she has been a faithful one, and boarding the Epsom bus early each morning has never hindered her all-time smile and pleasant personality.

We know with these qualities plus her ability to get ahead, Susan will succeed in whatever she attempts to do.

Honor Society 3,4; Assemblies 2
Honor Part, Graduation.

MELICIEN GENDRON

Most moderate and seemingly undisturbed about everything, "Mel" has done much for our class as well as for the school. We will always thank this fellow-classmate of ours for the care he has taken of our basketball team at home and away. They could never have made it without you "Mel!"

Whether you become a professional fireman or otherwise in the future, "Mel," we wish you the best.

Bishop Bradley High School 1; Basketball Manager 2,3,4; Soccer Manager 4.

WAYNE HALL

Wayne, a good natured fellow, has tried his best in his four years at P.A. You don't really know what a real true friend is until you have personally met Wayne.

We have all had high and energetic hopes for Wayne, and he hasn't let us down.

Wayne, we are sure you will succeed in what ever you plan to do.

Senior Play 4; Junior Prom 3; Assemblies 1,2.

And One Man in His Time

Plays Many Parts"

ROBERT HEBERT

"Bob" is known as one of the more silent members of our group.

He is always the same, rain or shine, with a special type wave of the hand, a ready smile, and a good enough answer for any teacher. In whatever you undertake, "Bob," we wish you the best of luck.

Gym Exhibition 1; Assemblies 2,3.

DORIS HEMEON

"Dot," one of the quiet members of our class, is truly a friend.

She is well-mannered and always ready to lend a helping hand. She enjoys a good time and has a good personality to go along with her good nature. We know she will make a terrific secretary.

Alvirne High School 1,2; Shorthand Certificate 3.

STANLEY HILL

Always ready for a good laugh, Stanley can take a joke as well as he can deliver one. But humor is put aside when the class needs assistance; "Stan" is your man when there is a job to be done. Besides being a willing worker, he is also rated among the best natured in our class, a quality which many envy.

We wish Stanley the best of luck in whatever field he chooses.

Assemblies 2,3.

We Have Learned

NANCY HURD

Jewel is an appropriate middle name for Nancy, for she is certainly a gem of a worker. Any day will find this happy-go-lucky girl knee deep in senior activities. Her portrayal of a nurse in the play proved Nancy to be another budding actress; perhaps she learned her lines as she was buzzing around taking informal pictures for the ACADEMIAN. Still she finds time to keep up on her studies, and to utilize her talent with a needle and thread--much of her wardrobe Nancy made herself.

All this energy and her ready smile will win Nancy happiness always.

Chorus 1,2,3,4; Operetta 1; School Play 3; Yearbook Staff 4; Senior Play 4; Dramatic Club 3,4.

PAUL LALIBERTE

Paul is a quiet and easy-going fellow who is liked by all who know him. Though he does not say much, he shows his interest by his willingness to participate in class activities. When he does slip in a comment people listen, for his opinions are respected.

After graduation, Paul plans to join the U.S. Marine Corps, where we know he will find success.

Robin has a terrific personality and is very popular. She is full of vitality and is always on the go, no matter where she is. Success for you, Robin, is right around the corner. All the luck in getting it!

Concord High School 1,2,3.

DONNA LARICCIA

Here is one gal in a million! "Mac" is herself interesting because she takes such a sincere interest in others. She is especially known for her ability to back up her opinions; her clever repartees in U.S. History and P.O.D. will testify to that.

As President of the Student Council it is "Mac's" job to see that student affairs run smoothly, and what a job. Next fall will find Donna attending Manchester's Notre Dame, from where we are confident she will emerge as a competent laboratory technician.

Class Vice-President 3; Student Council 2,3,4 (President); Senior Play 4; Memory Prize Speaking 3,4; Winter Carnival 3 (Chairman of the Decorations).

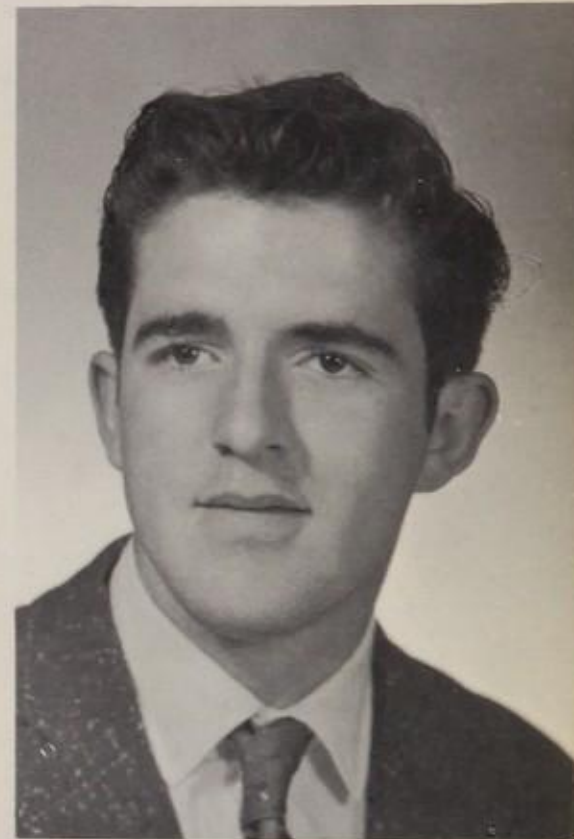

MARCEL LASCELLE

His quick sense of humor and general friendliness have made "Marce" a favorite with all. He is another of the class's hardest workers, and among the most dependable. It's "Marce" who keeps the Friday night record hops going, by faithfully tending the records. He put on a splendid performance in the Senior Play and was responsible for many of the behind-the-scene arrangements.

Marcel was president of the class in his junior year and has adequately demonstrated his leadership. Best of luck to you, "Marce." You have earned it.

Bishop Bradley High School 1; Class President 3; Basketball 2; Soccer Manager 4; Baseball Manager 2; Senior Play 4; Graduation and Class Day Marshal 3; Dramatics Club 4.

JEANNINE LAVOIE

"Gunner" holds all the honors among the girls when it comes to sports. The opposing team better take care when "Gunner's" there, she puts a lot of power behind any kind of a ball.

Jeannine's good with the jokes too; she can make anyone laugh with her clever retorts. If Jeannine is as successful with her future life as she has been with a certain guy, she will be right on top where she belongs.

Basketball 1,2,3,4; Chorus 1,3,4; Yearbook Staff 4; Athletic Association 2,3,4; Shorthand Certificate 3.

the Truth of This

CLAUDETTE LOUDIN

Pretty auburn hair is this girl's trademark.

Claudette is quiet but very friendly. She has proved herself to be a willing participant when someone needs a helping hand. She can surely take teasing well, as was shown in our history class. A commercial student, there is undoubtedly a fine position waiting for this likeable classmate in the business world.

St. Dominic's High School, Canada 1; Shorthand Certificate 3; Assemblies 2,3.

RITA MARTEL

Wedding bells await Rita upon graduation. She probably thinks June will never come. Her friends will always remember this quiet gal for courtesy and sincerity, two very admirable qualities.

We hope that Rita will always find happiness.

Usherette 3,4; Shorthand Certificate 3; Dramatics Club 3,4.

WALTER MARTEL

Walter is one of the class clowns. When there is an uproar, he is happiest when he is in the middle of it. Being a successful marine is the ambition of this fellow and he will surely make a good one.

Good luck from the Class of '60, Walter.

Assembly 2,3.

in Our Four Years

at Pembroke Academy

LOUISE MAYO

Louise, our little package of dynamite, has spent many devoted hours leading "P.A." on to victory, as one of the varsity cheerleaders. Although she is one of the smaller girls of the class, she has been a big asset. She displayed her dramatic ability in the senior play, and she did so, in a terrific way.

We certainly wish Louise all the happiness and success that should come to such a deserving person.

Student Council 3,4 (Treasurer); Chorus 2,3; Yearbook Staff 4; Honor Society 3,4; Athletic Association 3,4; Cheerleading 1,2,3,4 (Captain); Senior Play 4. Honor Part, Graduation.

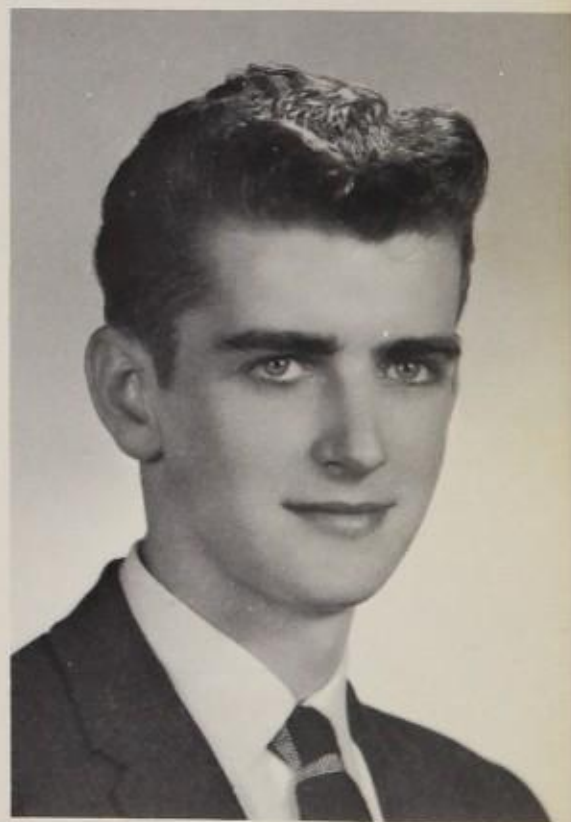

CHARLES McLAUGHLIN

"Chuck" joined our class late, but soon got into the swing of things. He is a handsome senior boy and liked by all. He was voted the shyest boy in the senior class. "Chuck," is often seen bringing a group of "kids" home from school, in his "57" black and red Ford.

We wish you much success and happiness in your future years, "Chuck."

Attended Manchester Central High School and Bishop Bradley High School. Assemblies 3.

SALLY OSBORN

Blonde and pretty, Sally is one of the top scholars. "Sal," with her numerous talents, joined our class in her Junior year. Her pleasing personality and good nature, have taken her into many activities. Her life thus far, has included traveling, which has taken her across the U.S. and overseas. We have benefited by her sharing her knowledge and experiences with us. Her future plans include a college education.

And now we want to wish Sally, a terrific "gal," all the happiness and success in the world. Berlin High School, Germany; Columbia High, Richland.

Washington 2; Chorus 4; School Play 3; Yearbook Staff 4; Honor Society 3 (Treasurer) 4.

where Every Moment Has Been Spent

RITA OUELLETTE

Rita, is a very quiet and ambitious lass and is liked by all. She is always ready to help make a success out of any undertaking of the Senior class. We know Rita will make an efficient secretary and we wish her success.

Student Council 4; Basketball 1,2,3,4; Usherette 3; Yearbook Staff 4; Winter Carnival Attendant 2,3.

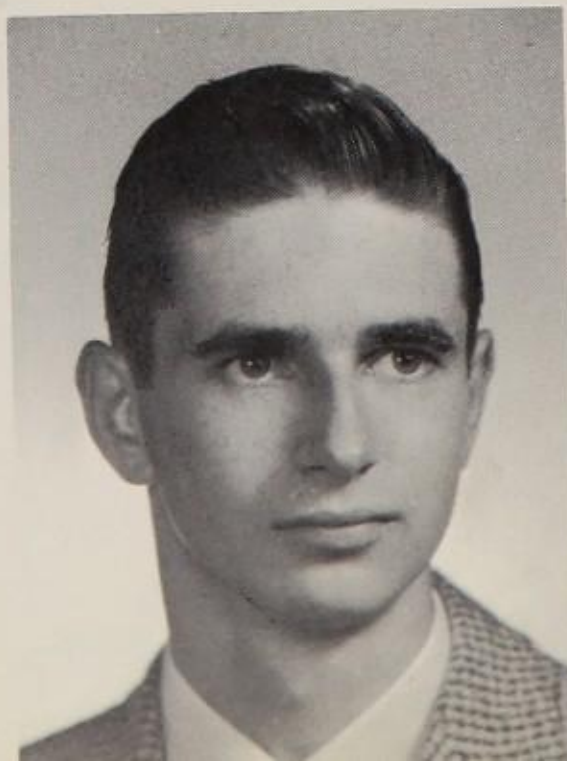

ROBERT PEPPIN

"Bob" is a rather quiet but cheerful senior boy. He has always been willing to do his share to help the class. Often he has saved many of us from being late by picking us up on the way to school. He has a nice way about him and we all recognize it.

Good luck from your classmates of "60," "Bob."

Activities 2,3.

WALTER PRIES

"The world belongs to the energetic." Walter is one of the hardest working class members, and we will never forget the endless hours he has spent in making our yearbook a success.

"Walt," a happy-go-lucky fellow, will always be noted for his ability in math and science. In many of his class activities he has been willing to lend a helping hand. His amicable manner and initiative will certainly prove their worth as he goes on to further education. We expect great things from you, Walter.

Yearbook Staff 4 (Co-Editor); Junior Prom 3.

ROBERT REEVES

"Bob" is a live spark in the Senior class. He is one of our favorite "Epsomites" and has a way about him that makes you stop and listen to what he has to say.

"Bob" has a sense of humor that has enlivened many a class. He has done a good job with his part of the yearbook and has really proved to be a faithful worker. Although "Bob" is undecided about the future, we know that whatever he chooses will be well done.

Basketball 1,2; Yearbook Staff 4.

BERNARD RENAUD

If personality will open the doors of success, then they will be opened wide for "Bernie," who has an ever ready smile and friendly word. He has certainly shown his ability on the baseball diamond, basketball court, and the soccer field.

"Bernie" has helped on committees and other class activities. He served as our class president his Freshman year. He is one of the best natured of our class, and has a great sense of humor. We know that "Bernie," will succeed in whatever he undertakes to do.

NORMA ROBINSON

This slender, attractive "gal" will be remembered by her many friends for her obvious dramatic talent and friendly manner. Norma won top honors in prize speaking as well as the lead in the Senior Play, but her capabilities are not limited to the stage.

By her clever conversation she gained the title of "wittiest girl in the senior class." Her academic interest runs to business, and since any employer will welcome a girl of Norma's caliber, she will surely have a bright future.

Good luck to you, "Pat."

Class Treasurer 1; Basketball 1,2; Soccer 2,3,4; Baseball 1,3; Athletic Association 4; Senior Play 4; May Ball 2 (Chairman of Decorations.).

BOLDIZSAR SANTO

If you ever want to learn to do a Hungarian dance, you can count on "Jack," or "Our Happy Hungarian" as Mr. Munroe calls him, to teach you. But you'd better have plenty of energy because the dance never slows down, and neither does "Jack."

In the four years that "Jack" has been in America, his accomplishments have been many and his English is remarkable. To "Jack" work means fun, and he has proven again and again that "nothing is worth doing unless you do it well." "Jack," we wish you all the success in the world.

Soccer 2,3; Baseball 2,3; Athletic Association 3,4.

ELAINE SATURLEY

Elaine has always been on the shy side; but anyone who has worked with her can vouch for her top sense of humor. Everyone admires her willingness to work, her dependability, and her school spirit.

Wherever there is a job, you'll find Elaine in the midst of it. Her trip to South Dakota last summer to teach Indian children is just one example of Elaine's ability.

for the Parts We Shall Play

as Characters in the

STEWART SEVERANCE

Courteous, shy, hardworking, with never much to say, and a friend in need--that's our "Stu." All these things rolled into one give us the combination as to why "Stu" is well liked by all.

He always goes about his business without saying much, but when help is needed, he's right there. He can work harder than anyone else and then seem to act as if he's done nothing. With his everlasting energy and ambition, we're sure that "Stu" will go far in the world.

Yearbook Staff 4; Assemblies 2,3.

MARION SHUTER

"Miki," one of our most ambitious and vivacious members, is sure to find all the riches the world has to offer. She has done more than her share in helping the class and school in her years at Pembroke.

"Miki" has shown her fine acting ability in many of the school plays and especially in the Senior Play. All the boys can vouch for her dancing, and she was voted best dancer of our class. But "Miki" is also good college material as she was an active member of the National Honor Society. The best of everything at Teacher's College this fall, "Miki."

Basketball 1,2,3,4; Chorus 1,2,4; School Play 2,3; Usherette 3; Yearbook Staff 4; Honor Society 3,4; Junior Prom 3; Dramatics Club 3,4 (Treasurer).

JUDITH SQUIRE

"The Girl With the Sparkling Eyes." Those words fit "Judy" exactly. You very seldom see her without a smile on her face or that sparkle in her eyes. She's one of those rare people who are born good natured. That quality will make her remembered by all her classmates.

Although "Judy" has to come all the way from Hooksett, she is an avid fan of soccer, basketball, and baseball. Maybe the reason for this is a "certain fellow" who plays on all three. May Nursing School be filled with success and good luck, "Judy."

Chorus 1,2,4; School Play 3; Usherette 2,3; Yearbook Staff 4; Original Prize Speaking 3 (Third Prize); Senior Play 4; Gym Exhibition 1; Dramatics Club 3,4.

Great Drama of Life

RICHARD THIBEAULT

Another of Pembroke's favorite basketball players that has proven himself valuable on the court is "Skilly." We know that "Skilly's" absence will be greatly noticed.

Besides playing basketball "Skilly" loves to play jokes on people. And when mischief is brewing, you'll usually find him at the bottom of it. "Skilly" is a hard worker, and be the task hard or easy, he'll do it. This is one fellow who we're positive will have all the success he deserves.

Class President 2; Vice-President 1,4; Basketball 1,2,3,4; Soccer 1,2,3,4; Baseball 1,2,3,4; Athletic Association 1,2,3 (Vice-President), 4; Senior Play 4.

ALBERT THOMPSON

In his four years of attending Pembroke Academy, Albert has done a great deal in helping his class and school. The fact that he has to travel by bus has never impaired his spirit.

Albert is a hard worker and a willing one. He has been Student Manager for the soccer and basketball teams. Albert is the first to volunteer when something has to be done. There is very little doubt that Albert will succeed in whatever he attempts.

Soccer 1,2,3; Dramatics Club 3,4; Senior Play 4.

SANDRA WAGNER

Although she looks quiet, don't let "Sandy" fool you. Her ready smile and sympathetic nature make her a true friend to all. She's the first to cry at a sad movie, and the first to laugh at a joke.

Despite being a "Jr. Fireman's Widow," "Sandy" can always find time for school activities, a gab session on the phone, a coke at Whitney's, and, of course, homework. How she remains so energetic is her secret, but we know that this asset, together with her many others, will make "Sandy's" future a bright one.

Chorus, 4; Usherette 1,2; Senior Play 4; Gym Exhibition 1.

OREN WOLFE

One of our newest and nicest members is Oren who came to us all the way from Hawaii. It didn't take Oren long to get busy and become a favorite friend of all. The reason for this stems from the fact that Oren never has an unkind word to say about anyone. He's not only friendly, but he is also smart.

This fact has helped him tremendously and will continue to throughout his life. Oren's future includes college, and without a doubt he will continue to be a success in everything he does.

Last year's baseball team, coached by Mr. Kaligian, had a highly successful season winning nine games and losing three. After losing two out of the first three games, the team finally got their bearings and went on to win eight games in a row. They lost their last game of the season to Alvirne.

At the end of the regular season they were tied with Penacook for the Central New Hampshire Championship. The boys played hard but just couldn't overcome the strong Penacook team and lost the game. But they fought every inch of the way and they will long be remembered in Pembroke Academy history.

Soccer

Soccer Pep rally

The soccer team, better known as "Munroe's Monsters," had a very successful season. The defending state champions started off the season by beating Goffstown 3-1. This win inspired the team and they went on to tie Pittsfield on Pittsfield's field 2-2. The next game with Penacook was postponed because of bad weather, so again we played Pittsfield on our home field and defeated them 4-1. The next game was with Alvirne, the team we defeated for the State Championship last year.

We downed Alvirne 4-0. After this impressive win the team went on to defeat Goffstown 4-3, Penacook 2-1, Penacook 2-0, and tied the last game of the season with Alvirne 0-0.

After an undefeated season the team was tournament bound.

The first tournament game was against Milford. After we tied them 2-2 in regulation play, we went on to defeat them on corner kicks in overtime play.

In the second game we tied with Peterborough 1-1 and again we won this game on corner kicks.

In the third game we met Hindsale who were undefeated thus far in the season. We defeated them 1-0.

The fourth and final game of the tournament was played on Veterans day.

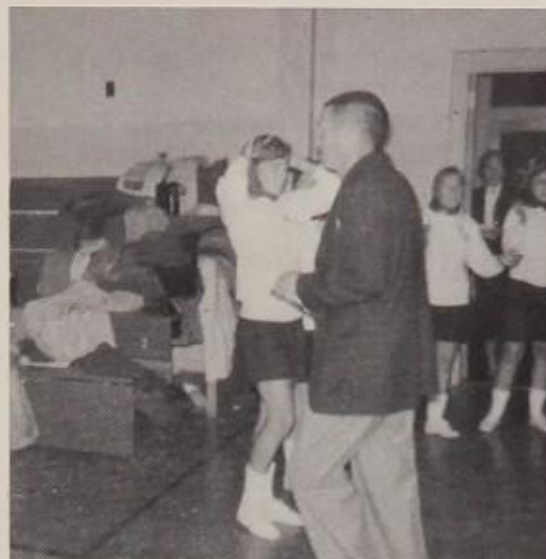

Although the boys played a hard and a good game Alvirne went on to defeat us 2-0 thus winning the state championship. This was a big disappointment but Chief Munroe, Coach Davis, and the team, will go down in Pembroke Academy's history famed for their never-give-up attitude.

Varsity Basketball

Coach "Doc" Carroll's Cagers had a highly successful season this year, winning fourteen games and losing three. This impressive record gained for them the Central New Hampshire League Championship.

The boys won their first four games before Newmarket squeezed by them with a narrow two-point margin. However, the Spartans quickly recovered and went on to win their next nine games, before being stopped by the strong team from St. John's of Concord. But this loss didn't cause our boys to lose heart. They immediately turned around and whipped Penacook 50-48.

Then came the next big game with St. John's. The strong Irish team handed the Spartans their third defeat out of seventeen games with a close score of 68-66. This powerful Spartan team is surely one to be proud of.

FIRST ROW: Mr. Kaligian (Coach), Bruce Hall, John Boyd, Paul Dandurand, Ken Follansbee, Paul Lafond, Ed Russell (manager); SECOND ROW: Robert Ford (Captain), Roland Denoyelle, Luther Cooper, James Broderick, Leigh McDonnell, Donald Scherig.

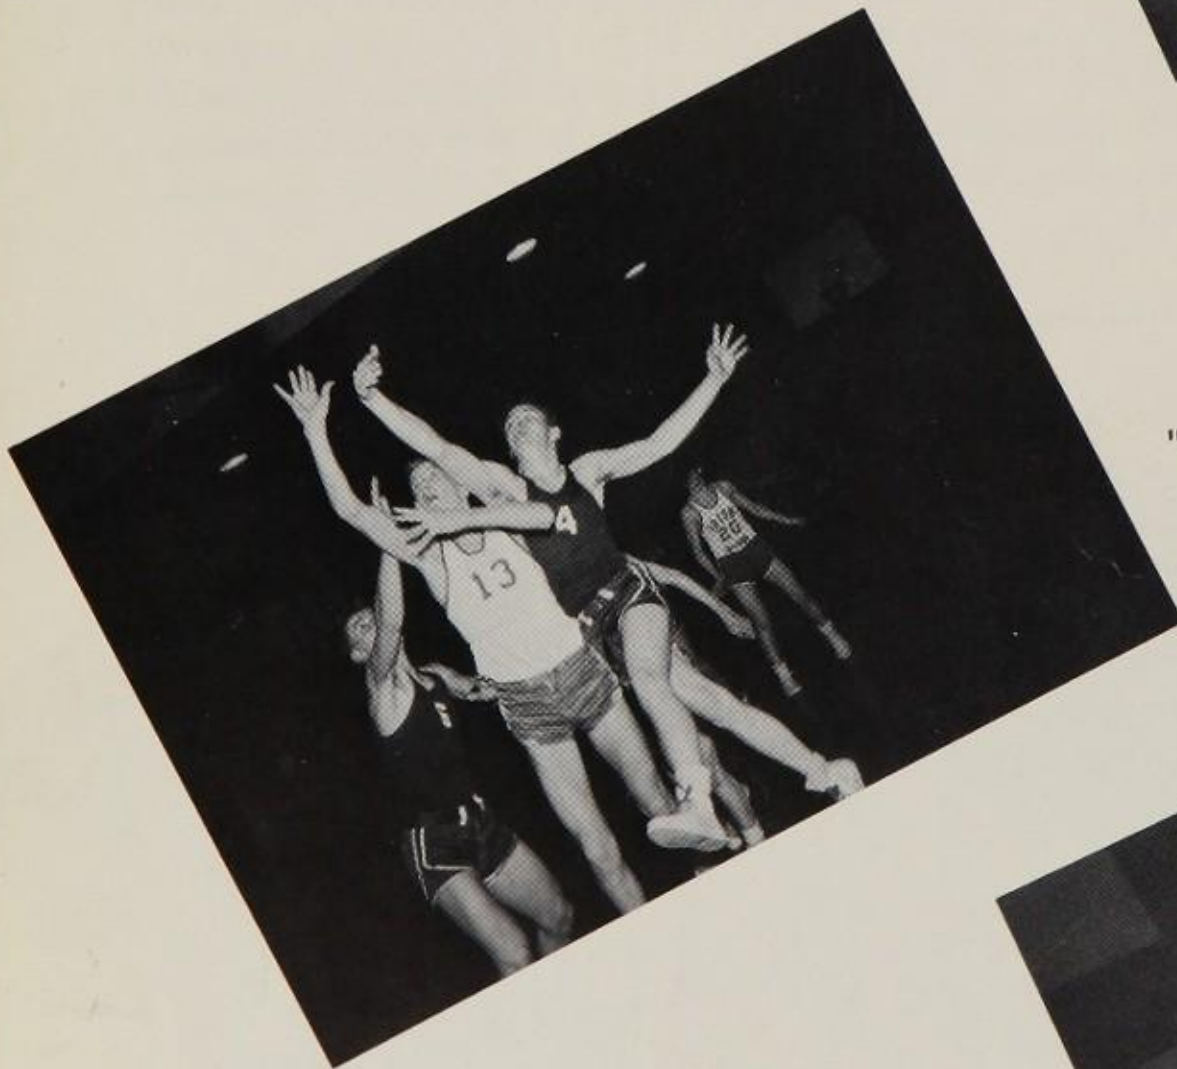

The boys' Junior Varsity team, coached by Mr. Kaligian, had a big turnout this year. The team, headed by a host of freshmen had an average season winning five and losing six. The boys played hard and never gave up even when they were behind.

With their attitude and fine playing they will make good varsity players in the years to come.

"That's right Kenny, Fight!"

"Come on Pembroke, Jump!"

BACK ROW: Jackie Collettere, Florence Martel, Susan Martel, Dorothy Harnois, Miki Shuter, Elaine Saturley, Francis Childs, Sandra Maroney, Dot Duguay. FRONT ROW: Miss Woods, (Coach), Sandy Mayhew, Connie Saturley, Florence Bernard, Jeannine Lavoie, Karole Sabeau, Rita Ouelette, Ann Juranty, Linda Carter (Manager).

Although the girls' basketball team, coached by Miss Woods, had a disappointing season, they showed the typical attitude of all Pembroke teams--good sportsmanship. Even when losing, they never gave up. Led by their capable manager, Linda Carter and Co-Captains Jeannine Lavoie and Karole Sabeau, the girls displayed good teamwork.

Next year we certainly will miss Jeannine Lavoie, Rita Ouellette, Florence Bernard, Elaine Saturley, and Miki Shuter, our departing seniors, who did a wonderful job throughout the year.

The best of luck to the underclassmen for their season next year.
